Demasiado Corazón

Song by Willy DeVille

Every morning I'm broken

Every day I die

Every night I weaken

And every night I cry

Standing in the rain

In the street outside

Running down my face

Tears in my eyes

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

Don't know why I wake up

Don't know why I try

Was that me the cool one

Or some other guy

Standing in the shadows

Of the sky above

No one knows I'm crying

Beaten by my love

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

- INSTRUMENTAL -

Cada mañana

Estoy quebrado

Y por las noches

Me despierto

Lacrimas en mi cara

Abajo de la lluvia

Lonely with my pride

Holding in my pain

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

Demasiado Corazon (- Demasiado Corazon -)

Demasiado Corazon

Land of Confusion

Song by Genesis

I must've dreamed a thousand dreams
Been haunted by a million screams
But I can hear the marching feet
They're moving into the street
Now did you read the news today?
They say the danger's gone away
But I can see the fires still alight
They're burning into the night
**There's too many men, too many people
Making too many problems
And not much love to go 'round
Can't you see this is a land of confusion?**
This is the world we live in (oh, oh, oh)
**And these are the hands we're given (oh, oh, oh)
Use them and let's start trying (oh, oh, oh)
To make it a place worth living in**
Oh, Superman, where are you now
When everything's gone wrong somehow?
The men of steel, the men of power
Are losing control by the hour
This is the time, this is the place
So we look for the future
But there's not much love to go 'round
Tell me why this is a land of confusion
This is the world we live in (oh, oh, oh)
And these are the hands we're given (oh, oh, oh)
Use them and let's start trying (oh, oh, oh)
To make it a place worth living in
**I remember long ago
Oh, when the sun was shining
Yes, and the stars were bright all through the night
And the sound of your laughter as I held you tight
So long ago**
I won't be coming home tonight
My generation will put it right
We're not just making promises
That we know we'll never keep
Too many men, there's too many people
Making too many problems
And not much love to go 'round
Can't you see this is a land of confusion?
Now this is the world we live in (oh, oh, oh)
And these are the hands we're given (oh, oh, oh)
Use them and let's start trying (oh, oh, oh)

To make it a place worth fighting for
This is the world we live in (oh, oh, oh)
And these are the names we're given (oh, oh, oh)
Stand up and let's start showing (oh, oh, oh)
Just where our lives are going to

Are You Gonna Go My Way

Song by Lenny Kravitz

I was born long ago
I am the chosen, I'm the one
I have come to save the day
And I won't leave until I'm done
So that's why you've got to try
You got to breath and have some fun
Though I'm not paid, I play this game
And I won't stop until I'm done
But what I really want to know is
Are you gonna go my way?
And I got to, got to know
I don't know why we always cry
This we must leave and get undone
We must engage and rearrange
And turn this planet back to one
So tell me why we got to die
And kill each other one by one
We've got to hug and rub-a-dub
We've got to dance and be in love
Are you gonna go my way?
And I got to, got to know
Are you gonna go my way?
'Cause, baby, I got to know
Yeah

What Do You Want From Me?

Song by Monaco

Sha la la la la la la

Sha la la la la la la

Sha la la la la la la

Sha la la la la la la

There is one thing that I would die for

It's when you say, "My life is in your hands"

'Cause when you're near me your love is all I need

Now I can't imagine

What do you want from me?

It's not how it used to be

You've taken my life away

Ruining everything

What do you want from me? (Sha la la la la la la)

It's not how it used to be (sha la la la la la la)

You've taken my life away (sha la la la la la la)

Ruining everything (sha la la la la la la)

Give me something I can rely on

Far away from the life that I once knew

What does it matter, that's all I have to say

And I can't imagine

What do you want from me?

It's not how it used to be

You've taken my life away

Ruining everything

What do you want from me?

It's not how it used to be

You've taken my life away

Ruining everything

Sha la la la la la la

Sha la la la la la la

Sha la la la la la la

Sha la la la la la la

What do you want from me? (Sha la la la la la la)

It's not how it used to be (sha la la la la la la)

You've taken my life away (sha la la la la la la)

Ruining everything (sha la la la la la la)

What do you want from me? (Sha la la la la la la)

It's not how it used to be sha la la la la la la)

You've taken my life away (sha la la la la la la)

Ruining everything (sha la la la la la la)

Delicate

Song by Sananda Maitreya

Delicate like rain

Delicate like snow

Delicate like birds

Delicate just so

Delicate like air

Delicate like breeze

Delicate like you and me

A delicate advance

A delicate retreat

Delicately planned

Delicate like peace

Delicate like a touch

That's delicately brief

Delicate like you and me

Delicate like trinkets on her bracelet

(Like trinkets on her bracelet)

Delicate like a bracelet on your arm

(Like a bracelet on your arm)

Delicate like sweet arms around me

(Your sweet arms around me)

Delicate like me on top of you

Delicate like words

Delicate how time

So delicately runs

Then delicately dies

Delicate how eyes

So delicately breathe

Delicate like you my dear

Delicate like me my love

Delicate like you and

Delicate like me and

Delicate like

Delicate like you and me

The Power of Good-Bye

Song by Madonna

Your heart is not open, so I must go
The spell has been broken, I loved you so
Freedom comes when you learn to let go
Creation comes when you learn to say no

You were my lesson I had to learn
I was your fortress you had to burn
Pain is a warning that something's wrong
I pray to God that it won't be long
Do ya wanna go higher?

There's nothing left to try
There's no place left to hide
There's no greater power
Than the power of goodbye

Your heart is not open, so I must go
The spell has been broken, I loved you so
You were my lesson I had to learn

I was your fortress
There's nothing left to lose
There's no more heart to bruise
There's no greater power
Than the power of goodbye

Learn to say goodbye
I yearn to say goodbye
There's nothing left to try
There's no more places to hide
There's no greater power
Than the power of goodbye
There's nothing left to lose
There's no more heart to bruise
There's no greater power
Than the power of goodbye

Riverside

Song by Agnes Obel

Down by the river by the boats
Where everybody goes to be alone
Where you won't see any rising sun
Down to the river we will run
When by the water we drinks to the dregs
Look at the stones on the riverbed
I can tell from your eyes
You've never been by the riverside
Down by the water the riverbed
Somebody calls you somebody says
Swim with the current and float away
Down by the river every day
Oh my god I see how everything is torn in the river deep
And I don't know why I go the way
Down by the riverside
When that old river runs past your eyes
To wash off the dirt on the riverside
Go to the water so every near
The river will be your eyes and ears
I walk to the borders on my own
Fall in the water just like a stone
Chilled to the marrow in them bones
Why do I go here alone
Oh my god I see how everything is torn in the river deep
And I don't know why I go the way
Down by the riverside
Oh my god I see how everything is torn in the river deep
And I don't know why I go the way
Down by the riverside
Oh oh
Ah ah ah
Oh oh
Ah ah ah
Oh oh
Ah ah ah
Down by the riverside
Down by the riverside

Feeling Good

Song by Michael Bubl , Nina Simone version

Birds flying high

You know how I feel

Sun in the sky

You know how I feel

Breeze driftin' on by

You know how I feel

It's a new dawn

It's a new day

It's a new life

For me

And I'm feeling good

I'm feeling good

Fish in the sea

You know how I feel

River running free

You know how I feel

Blossom on a tree

You know how I feel

It's a new dawn

It's a new day

It's a new life

For me

And I'm feeling good

Dragonfly out in the sun, you know what I mean, don't you know

Butterflies all havin' fun, you know what I mean

Sleep in peace when day is done, that's what I mean

And this old world is a new world

And a bold world

For me

For me

Stars when you shine

You know how I feel

Scent of the pine

You know how I feel

Oh, freedom is mine

And I know how I feel

It's a new dawn

It's a new day

It's a new life

It's a new dawn

It's a new day

It's a new life

It's a new dawn

It's a new day

It's a new life

It's a new life

For me

And I'm feeling good

I'm feeling good

I feel so good

I feel so good
